Beyond the Veil overview

What is Beyond the Veil?
Beyond the Veil is a collaborative roleplaying game wherein the Players, led by an Overseer, explore otherworldly mysteries that will shock, scare, and shake your sense of accepted reality.

Set in the modern day, your group may investigate ghost sightings at an abandoned asylum, scrutinise tales of shapeshifting killers, or parley with visitors from beyond the stars. At first, you'll take on the role of amateur investigator, exploring the unknown and separating fact from fiction, one local mystery at a time. Later, as professionals, you will uncover global mysteries, discover deeper secrets of the universe, and face shadowy global factions whose quest for knowledge may not be as honourable as your own.

But you are not alone. Investigators work under the watchful eye of the 'Supernatural and Paranormal Society,' a secret organisation that monitors, contains, and hides unexplained phenomena from the unprepared masses, protecting the populace from harm.

You will have to take up arms and fight if you want to protect others from some of the malign entities you discover. But there will also be a need for diplomacy and deduction in your investigations.

Do you feel compelled to seek answers to the unexplained?
Will you pierce the veil of mundane human perception?
Or will you remain in the bliss of the ignorant?

Whether you want play to be tense and suspenseful, comically spooky, or downright terrifying, well, that's the choice of your gaming group. Beyond the Veil will support your enjoyment in telling all those stories, and more.

The Supernatural & Paranormal Society™
Follow in the footsteps of Professor Charles Stephenson and work with the SPS, the foremost experts in the field of the unknown. Gather evidence to earn reputation and reward, find new leads to follow, or simply get access to sophisticated investigative equipment from specialists. Prove your mettle and work your way up the ranks to unlock new career paths and features for your characters.

Core rulebooks

Beyond the Veil Core Rulebook
The complete guide for running immersive investigations into the unknown. Inside, Overseers will find all the tools they need to build rich, mysterious worlds, create compelling NPCs and Entities, and run gripping games of Beyond the Veil.

Players can dive into a detailed Investigator creation system designed for ultimate flexibility. Build characters inspired by the Scooby-Doo gang, the Winchester brothers, Mulder and Scully, or even create a version of yourself. If you can imagine them, you can play them.

Entity Compendium

Expand the mystery with a multitude of new Entities for your stories and sessions.
From shadowy threats to apocalyptic horrors, this compendium introduces advancement options for scaling encounters and features legendary creatures pulled from folklore and myth for the ultimate investigation.

Legendary is the new BBEG.

Planned expansions

PHANTASMAGORICAL
This takes you back to the advent of the spiritualist movement in the late 19th century as the dawn of the clairvoyant emerged into high society during the Victorian era. Mesmerising crowds with their ability to talk to the deceased through seances. Help separate the charlatans from the truly gifted with the limited technology of the time.

LEGACY
For advanced players - Take your game to the next level with epic options beyond the core ruleset. Featuring new character options and new ways to play.

HIDDEN VAULTS
Explore everything the SPS has to offer, gain access to new technology, fantastical items, and peruse the restricted files held in the deepest archives.

TALES FROM BEYOND THE VEIL
A series of folklore tales & Ghost stories that contain the needed information to bring them to your gaming table or enjoy around a campfire.

*AND MANY MORE**
***With plans to further explore aspects of the Beyond the Veil universe, expanding upon individual elements of the supernatural, paranormal, or extraterrestrial.
